Make Your Life Matter No Matter What

Angela's passion is motivating others to "Make Your Life Matter No Matter What." She loves to see people embrace their full potential in Christ through her music, her message and her mission. She weaves poignant songs, powerful truths and unexpected insights from two near-death experiences into life-lessons that inspire you to:

- Mine the purpose out of pain by living in the promise of God's perspective.
- Pursue God's intimate presence in an impersonal world through worship.
- Overcome obstacles and make a difference in your world by marinating in Scripture.

Angela ministers with passion, drawing from her years of leading worship and teaching God's Word. Her weekly devotional blog, "The M & M's of Life", encourages thousands of readers to make their life extraordinary and make their life count. As the founder of "Voice of the Voiceless," she champions the plight of deprived pastor's wives and rural children through her mission trips to Africa.

An Ordained Assemblies of God minister, Angela serves as Women's and Associate Pastor, has a degree in Music Education and CD Projects which uniquely equip her to enrich the lives of others. She has ministered alongside Liz Curtis Higgs and Reinhard Bonnke and is featured on the National A/G Website for Pastor's Wives, "Her Green Room."

Angela makes endless to-do lists, works from home in her pajamas any chance she gets, and owns a well-worn pair of hiking boots from climbing Mt. Kilimanjaro for clean water. She wears many hats but her favorites are mom to two amazing teenagers, Gabrielle and Christian, and wife to her husband of more than twenty years, Dale. Together they serve River of Life Worship Center and long to make
