DESCRIPTION

We all walk through seasons when joy plays an unwelcome game of Hide and Seek. Disappointment, worry, and adversity blur our lens on life, sabotaging our ability to develop the meaningful relationships we long for and realize our worth in Christ.

Finding Joy When Life is Out of Focus will help you choose contentment regardless of circumstance, transform faulty thought patterns through the truth of God's Word, and persevere when life is unraveling.

Experienced individually or in small groups, this Study of Philippians for Joy-Thirsty Women includes dynamic teaching, inspiring personal stories, opportunities for life-growth, and a guide for leaders.

Joy-thirsty women, are you ready to pull your joy out of hiding? Start looking through the grace-crafted lens of God's perspective - you'll love the life you see!
